Re: Petition of the Verizon Telephone Companies for Forbearance under 47 U.S.C. § 160(c) from Title II and Computer Inquiry Rules with Respect to Their Broadband Services, WC Docket 04-440

Dear Ms. Dortch:

On February 27, 2006, Ed Shakin and I met with Ms. Jessica Rosenworcel of Commissioner Copps' office and Mr. Ian Dillner of Chairman Martin's office regarding the above proceeding. Today, we also met with Ms. Dana Shaffer of Commissioner Tate's office on the same matter. The positions set forth are those that are on the written record in this proceeding and on Verizon's February 7, 2006 letter to the Commission in particular. Additionally, we shared with them that more than 90% of Verizon's revenues for ATM and Frame Relay services are sold at retail rather than wholesale.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Dee May". The signature is written in a cursive, flowing style.
